BISHOP

EMPLOYMENT: TPG Architecture - New York, NY May 2019 - Present
Senior Associate/Senior Designer

Coordinating design concepts and construction documents with contractors, MEP engineers, as well as lighting, AV, acoustic & food service consultants on workplace projects such as Meta and NYC Football Club.

Mentoring junior staff in developing test fits, furniture specifications and finishes.

HLW International - New York, NY; Santa Monica, CA & Shanghai July 2011 - April 2019
Senior Associate/Senior Designer

Created close-knit client relationships on projects, such as New York Life, Uniqlo and Weight Watchers, utilizing their brand and mission statements as a basis of design.

Developed furniture and finish specifications for various corporate projects, including Google in NYC, California, and Shanghai, following Google's strict environmental policies.

Worked with a team of designers, both senior and junior, to create schematic and design development presentations using Revit, Photoshop and InDesign software.

Mancini Duffy - New York, NY Dec 2009 - July 2011
Architectural Designer

Developed content for design competitions and RFPs that included conceptual plans, diagrams and 3D renderings for potential clients such as Aramark Food Services, Cushman & Wakefield and Abu Dhabi National Oil Company.

Gensler - Washington, DC & New York, NY Feb 2006 - Nov 2008
Architectural Designer

Created and developed test-fits & blocking diagrams, schematic design options, renderings, and construction documents for clients such as Victoria's Secret and Ogilvy.

Perkins + Will - Washington, DC Jan 2003 - Feb 2006
Architectural Designer

Implemented visual conception skills for presentations; detailing design concepts through renderings, perspectives and finish boards on projects such as the FDIC Headquarters.

Contributed to continuing firm-wide educational opportunities including lectures, film series, museum and construction site visits and in-house design competitions.

SKILLS: Computer
Revit Architecture, Enscape, Adobe Photoshop/Illustrator/InDesign, AutoCAD.
Visual Concepts
Presentation Layouts, Renderings/Hand Sketches, Finish Palettes

EDUCATION: Syracuse University: College of Visual and Performing Arts May 2002
Bachelor of Science in Environmental Design
Syracuse University: School of Architecture
Minor: Architecture
International Study: Environmental Design in Florence, Italy Summer 2000
